MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Reprogramming for a Special SIGINT Collection Study

At my request you forwarded a prior approval reprogramming letter to Congress on 14 December 1984 (BYE-2219-84) in the amount of [] to accomplish the subject study. The House Appropriations Committee (HAC), on 28 January 1985, denied the proposed source of funds and requested a "more traditional" means to fund the study.

25X1

The attached draft letter responds to this request by sourcing the [] study from my two Research & Development programs. These programs customarily fund such studies for the NRP, and this fiscal solution should satisfy the HAC's concern.

25X1

I recommend you sign and forward attached letters describing this reprogramming to our Authorization and Appropriations Committees.

E. C. Aldridge, Jr.
